OFFICE OF PETITIONS

In re Application of	:	
PROUDFOOT et al.	:	LETTER REGARDING PATENT
Application No. 10/510,658	:	TERM ADJUSTMENT
Filed: May 18, 2005	:	
Attorney Docket No. ARS-104	:	

This letter is in response to the "COMMUNICATION REGARDING PATENT TERM ADJUSTMENT," filed February 7, 2008. Pursuant to applicants' duty of good faith and candor to the Office, applicants request that the determination of patent term adjustment under 35 U.S.C. 154(b) be reviewed for accuracy. Applicants state that the patent term adjustment should be corrected from 212 days to zero (0) days.

The request for review of the determination of patent term adjustment is **granted**.

The Office has updated the PAIR screen to reflect that the correct Patent Term Adjustment (PTA) determination at the time of the mailing of the notice of allowance is **zero (0) days**. A copy of the updated PAIR screen, showing the correct determination, is enclosed.

Applicants assert that the Office should not have been assessed a delay of 254 days under 37 CFR 1.702(a)(1). The application history has been reviewed and it has been determined that the determination of patent term adjustment under 35 U.S.C. 154(b) of 212 days is incorrect.

Pursuant to 37 CFR 1.703(a)(1), the period of adjustment of patent term due to the failure of the Office to take action within a specified time frame is the sum of the following periods:

- (1) The number of days, if any, in the period beginning on the day after the date that is fourteen months after the date on which the application was filed under 35 U.S.C. 111(a) or fulfilled the requirements of 35 U.S.C. 371 and ending on the date of mailing of either an action under 35 U.S.C. 132, or a notice of allowance under 35 U.S.C. 151, whichever occurs first[.]

The date of completion of all 35 U.S.C. 371 requirements is May 18, 2006. Therefore, the date of May 18, 2006, and not May 18, 2005, should be used for calculating adjustment of the patent term under 37 CFR 1.702(a)(1). On March 29, 2007, the Office mailed a Restriction Requirement to applicants within fourteen months after the date on which the application fulfilled the requirements of 35 U.S.C. 371 (i.e. July 19, 2007). Accordingly, the period of adjustment under 37 CFR 1.702(a)(1) is zero (0) days.

In view thereof, the correct patent term adjustment at the time of the mailing of the notice of allowance is **zero (0) days**.

As this letter was submitted as an advisement to the Office of an error in applicants' favor, the Office will not assess the \$200.00 fee as set forth in 37 CFR 1.18(e). The Office thanks applicants for their good faith and candor in bringing this to the attention of the Office.

Applicants are reminded that any delays by the Office pursuant to 37 CFR §§ 1.702(a)(4) and 1.702(b) and any applicant delays under 37 CFR § 1.704(c)(10) will be calculated at the time of the issuance of the patent and applicants will be notified in the Issue Notification letter that is mailed to applicants approximately three weeks prior to issuance.

The Office of Data Management has been advised of this decision. This matter is being referred to the Office of Data Management for issuance of the patent.

Telephone inquiries regarding this matter should be directed to Christina Tartera Donnell, Senior Petitions Attorney, at (571) 272-3211.

A handwritten signature in black ink, appearing to read "Kery A. Fries", is written over the printed name and title.
